*Simply the Best in Berks County  
Practice begins September 14, 2009*

Get a head start on the competition. Train with one of the best YMCA programs in the state of Pennsylvania.

Our experienced coaching staff focuses on the development of strokes and endurance for all levels of competitive swimmers.

We take great pride in building strong kids, strong families and strong communities through the sport of swimming and look forward to developing the core values of honesty, caring, responsibility and respect in your children both in and out of the water.

*Returning swimmers are required to register with a down payment of \$50.00 by September 1, 2009.*

All new swimmers are required to participate in a 2-week observation period ending October 9, 2009. Registration forms for new swimmers are due their first night of practice. A \$20.00 late fee will be charged to any registration forms handed in after the October 9 deadline.
